- 2.9. The expiration or termination of the Agreement shall not affect the provisions of the Agreement; which expressly provide that they will operate after expiration or termination or which of necessity must continue to have effect after such expiration or termination, notwithstanding that the clauses themselves do not expressly provide for this.

- 12.1. **Veri-Group** may, at its sole discretion and subject to the Client's selection of the **Veri-Platform** Funded charging structure, provide or arrange a cash financing facility in respect of an Account. By opting for such a facility, the Account Holder expressly authorizes **Veri-Group** to use the Account as collateral to generate the necessary funding.
- 12.2. The terms, conditions, and requirements of the facility, including repayment obligations, shall be established by **Veri-Group** and must be complied with by the Client and the Account in accordance with such terms.
- 12.3. The obligation to repay the cash financing facility includes payment of all fees, interest, and other charges as agreed between **Veri-Group** and the Client from time to time, payable at such intervals as agreed or, in the absence of agreement, as determined by **Veri-Group**.
- 12.4. The Account Holder acknowledges and agrees to repay the funding and all related costs in accordance with the terms set forth in this section of the Terms and Conditions.
- 12.5. The Account Holder and the Account bear full responsibility and liability for ensuring that all funding obligations are settled in full.
- 12.6. Full and final settlement of any cash financing facility must be completed prior to the termination of an Account or when it is reasonably considered that an event of default has occurred or may occur. **Veri-Group** reserves the right to terminate any cash financing facility without notice at any time. In such event, the entire outstanding balance, including all associated costs (such as fees and interest), shall become immediately due and payable without the need for further explanation or justification.
- 12.7. **Veri-Group** reserves the right, without liability, to liquidate any asset held within an Account or to take any action it deems fit to settle any outstanding cash financing facility and its associated costs.
- 12.8. Withdrawals and account closures may be restricted at **Veri-Group's** sole discretion until all associated funding and charges have been fully settled.
- 12.9. The funding solution is a feature of the Account and may be withdrawn or required to be settled in full without prior notice.
- 12.10. This facility is not intended to provide capital to investors outside of their Account with **Veri-Platform**.

PART THIRTEEN: FINANCIAL OBLIGATIONS, SETTLEMENT AND DELIVERY

- 13.1. It is understood that **Veri-Group** shall only proceed with the purchase of securities for a Client on the basis that the Account holds enough cash to pay for the purchase and its associated trade costs, including consideration to any additional requirements of **Veri-Group**, such as the maintaining of sufficient liquidity on the Account.
- 13.2. Delivery of Securities or payment (as the case may be) by the Counterparty to a transaction shall be entirely at the Client's own risks. The Client understands and agrees that **Veri-Group's** obligation to deliver the proceeds from the sale of investments or to deliver investments to the Client's Account shall be conditional upon receipt by **Veri-Group** of deliverable documents or sale proceeds, as applicable, from the other party or parties to the transaction.
- 13.3. In the case of an asset transfer onto or out of the platform, should the Client's Counterparty fail to deliver any security or property on the settlement date, the Client shall hold **Veri-Group** harmless for any and all costs, expenses and fines (including without limitation consequential loss, taxes and legal costs and costs related to any borrowing of securities that may be undertaken for the purpose of making good such failure) incurred by **Veri-Group** as a result of that failure. The aforesaid shall be without prejudice to any other right or remedy and without liability for any loss or loss of profit or gain the Client may incur.

- 13.4. The Client agrees to maintain a minimum cash balance equivalent to 3% of the Portfolio Value in order to cover ongoing fees such as platform administration fees, custody costs, ongoing adviser servicing fees, trustee fees, bank charges, execution charges and any other charges that may occur ("the Charge") and satisfy all financial obligations to **Veri-Group**. Where 3% of the Portfolio Value is insufficient to cover upcoming charges, **Veri-Group** will have the authority to sell down any asset held in the Client's portfolio to cover the Charge. This process is known as "auto-disinvestment." This happens automatically when there is not enough cash in the Client's portfolio to cover any accrued fees. Furthermore, if you fail to maintain the minimum cash balance, **Veri-Group** will have the authority to sell down any asset held in the Client's portfolio to return the account to meet this requirement. Such actions mean **Veri-Group** could make trades on the Account, selling part or all of some or all assets. No liability in any way will be put upon **Veri-Group** for acting in line with this clause, including but not limited to, any charges which may be incurred, loss of opportunity, surrender penalties or otherwise.
- 13.5. Please note that although cash in the Account is to be maintained at a minimum of 3% of the current value of the account, if any securities held are illiquid or term assets which cannot be realised and/or there are amortised or indemnified charges attached to the Account, additional liquid cash may be required, at the discretion of **Veri-Group**.
- 13.6. For the avoidance of doubt, this could include not proceeding with certain instructions until such time that the minimum cash balance on the Account is restored, without liability to **Veri-Group**.
- 13.7. **Veri-Group** reserve the right to, by policy or by discretion, where it feels that the prevailing Account value, or the impact of requested withdrawals, render an account unsustainable or undesirable, require an Account to be surrendered in full, and the Account closed, without liability.
- 13.8. Withdrawals of Securities and/or Cash from the Account will only be transferable and/or payable to an account in the name of the Client, and for the benefit of the Client, and to an account as stipulated in the Application Form or updated or provided formally in writing in a manner prescribed as acceptable by **Veri-Group**.

PART FOURTEEN: SECURITY

- 14.1. The Client agrees that **Veri-Group** shall have a right of retention in the form of a debtor and creditor lien over all of the Client's Securities in **Veri-Group's** possession, from time to time, in respect of the Client's payment obligations to **Veri-Group**, including but not limited to any fees, costs, lending, interest and expenses due and payable to **Veri-Group** from time to time in terms of the Agreement.
- 14.2. In the event that the Client fails to pay any sum due and payable to **Veri-Group** on its due date and fails to remedy such failure to pay within 30 days of receipt of written demand by or on behalf of **Veri-Group**, the Client hereby irrevocably authorises **Veri-Group**, as lawful attorney and agent of the Client, without limitation, to sell and/or dispose of such Securities, to sign all the necessary transfers, waivers, renunciations and documents to pass title thereto and to take all steps necessary to transfer ownership of such Securities pursuant to such sale or disposal, to the extent required to discharge such obligations.
- 14.3. The balance of any proceeds released from any sale in terms of Clause 13.2 above and remaining after application to sums due and payable to **Veri-Group**, shall be remitted to the Client Account.
- 14.4. For the avoidance of doubt, any right exercised by **Veri-Group** in terms of Clause 13.2 above is limited to the Client's direct indebtedness in terms of the Agreement and not to any contingent liabilities.

PART FIFTEEN: MULTIPLE PARTIES AND CAPACITY

- 15.1. Where the Agreement is signed by more than one person, each person is jointly and severally liable under the Agreement, and **Veri-Group** may act on the Instructions of any one of these persons.

By either party if the other party is in default of any of its obligations under the Agreement and, if such default shall be capable of remedy, fails within fifteen (15) days of receipt of a Notice served by the non-defaulting party requiring the defaulting party to make good such default;
- 16.2. Where **Veri-Group** deems that they no longer are willing, able, or otherwise to continue to operate the Account, for whatever reason, without obligation to provide motivation or cause, and so notify the Client of the requirement for termination, with or without Notice.

- 16.3. On termination of the Agreement, any fees and monies owing or due by the Client to **Veri-Group** up to and including the termination date shall become due and payable immediately, in line with and notwithstanding the requirements under Clause 6.5. Termination is without prejudice to accrued rights and provisions of the Agreement expressed to survive termination.
- 16.4. In the event of Termination, in respect of the transfer of Assets and/or Cash, should **Veri-Group** be unable to secure transfer details within a reasonable time frame, **Veri-Group** reserve the right to transfer any cash to the last declared registered bank account of the Client and to either transfer or liquidate Securities, without liability to any losses, costs or otherwise and transfer the residual proceeds of the same, or to transfer any Assets into the direct holding and ownership of the Client, where legally possible. Securities debited or to be debited to the Custody Account from the aggregate value of all amounts credited or to be credited to the Cash Account and all Securities credited or to be credited to the Custody Account, and the net amount shall be the only sum owing between the parties in respect of all the parties' obligations terminated;
